Personal/Survivor Affairs **Tottie Parmeter** 543-5002  
[muriclparmeter5002@msn.com](mailto:muriclparmeter5002@msn.com)

Past President **Mike Schauf** 251-3231 [mschauf@att.net](mailto:mschauf@att.net)

*President's comment*

It seems like it has been a year since we all had the chance to meet together and enjoy each other's company but it has only been a couple of very long months. Winter has let go of its grip and we are head long into Spring. I don't know about you but my lawn is in a runaway growing mode! The Governor said he was going to allow Phase 2 to start on the 1st of June (less than two weeks away). Woohoo! We all seemed to have done okay during this time and we are looking forward to more normal circumstances in the future.

Summer events are still on the docket for the golf tournament, rifle range with picnic to follow, and we don't know for sure what will be the future of the Paddle heads baseball game in the middle of August. We used to have to just worry about the weather but now we have to see if they let anyone sit in the stadium seats and watch America's great past time. The Board may decide on another type of get-together for August if the ballgame doesn't happen. We will keep you posted. Be sure to contact Gary Swartz for golf and the range and Cindy will work with the picnic in July.

Dates have been secured for the Social Hours with the Westside Lanes and Fun Center starting in September. Currently their casino and restaurant are open and bowling will be allowed starting the 1st of June. The Double Tree has secured our Luncheon dates for the usual 3rd Friday of the month. So keep coming up with topics and speakers for us for this next great year.

Thank you to Betty Robinson for offering the face masks to our membership and thank Tottie Parmeter for providing material. We are glad you were able to get them to the folks that needed them. Thank you again for all your efforts.

Fred Aimi had a successful hip replacement earlier this month and the doctor told him he can drive now. We are so glad for Fred and Laura now that he is back on both feet and literally roaring to go. We are looking forward to seeing you skip into our meetings this fall! Anyone else have news to share? Let us know and we will get it Mike to be posted on the website. It will be fun to hear stories of how we all spent the time stuck at home (I did a project for our bedroom that I was able to avoid for 32 years!)

*"As America celebrates Memorial Day, we pay tribute to those who have given their lives in our nation's wars."* Let us pause this Monday in our thoughts for all of those that have gone before us in battle.

Hopefully see you this summer at one of our events. In the meantime, keep washing those hands and enjoy the warm weather.

*Jack Babon, President*
