President's Column

Wow, what a crazy last 15 months! Jack's Presidency started out so strong and then wham! Despite all the Challenges from National and local directions, under President Babon's leadership the Chapter carried on with our Summer 2020 events and our 2020/21 Social Hour and Luncheon schedule, meeting all local and state health directives, WMMOA kept going and we remained connected and active while other Chapters couldn't.

And now we can celebrate with the 2021 Banquet after a 2-year hiatus. With all the challenges President Jack has faced during his tour, the toughest was Cindy's health. Jack has been a steady and committed leader through the most challenging period in our Chapter's history. If you have yet to make your plans for the Banquet, please do so. It will be a great event to reconnect with folks we may not have seen in a while and especially a chance to celebrate and congratulate Jack Babon for his outstanding leadership as President. We
