**PRESIDENT'S COMMENTS**

October is going to be another great month for our Social Hour and Luncheon. September was a great success with a great turn out for CPT Char Gatlin, USA, telling of his experiences during 9/11 with the Army's "Old Guard" at ground Zero at the Pentagon. Our Luncheon was Bryan Douglas and the unlikely story of Miss Montana and the D-Day Squadron. His book "Every Reason to Fail" was a hit. He went home with no books left in his book bag! Thank you to all that sent RSVP for the luncheon. We are limited to numbers and would hate to turn anyone away.

October's Social Hour on October 9, 18:00 at Westside Lanes will be feature our own Vice President, Captain Charlie Olinger, USA. His presentation; "Raise Your Right Hand and Repeat After Me" refers to when he commanded the Armed Forces Entrance Examination and Entrance Center at Fort Des Moines, Iowa, during the Vietnam conflict. Our October 16th Luncheon, 11:30 at the Double Tree, will have Robert Seidenschwarz updating us on "Why Diplomacy Matters", about implications for the Middle East Region due to the Israel – U.A.E Peace Accords.

**RSVP TO CINDY BABON AT [babcinjac@msn.com](mailto:babcinjac@msn.com) OR call her at (406) 549-9835 for the luncheon by October 12th so there is a place for you!**

I hope many of you were able to see the USS Montana launch, via online on September 12th in Newport News, Virginia. Watch for news of our favorite ship on the News Blog section of the [www.ussmontanacommittee.us](http://www.ussmontanacommittee.us) website. We will hope to have an update this fall from Bill Whitsitt about his time with the crew of the USS Montana at the christening of the submarine.

**Note to those on Tricare Select:** If you have not been contacted yet through the mail, within the Obama Care legislation, there is a provision that takes affect 1 January 2021 that will start charging people with Tricare Select \$12.50 an a month/individual and \$25.00 a month/family to continue the Tricare Select health care coverage. You have to contact Tricare during this upcoming open season to let them know if you want to continue this coverage and if you are paying the additional amount either by deductions from your retirement or by direct payments such as credit/debit cards. Senator Daines has submitted S4746 to delay the start of this and we will send out information as we learn more about this update. Tricare for Life is not affected.

Enjoy this beautiful start to Fall while getting all your outside chores done during this wonderful weather! Hope to see all of you soon.
